**YOUR GUIDE TO THE WORLD OF SONIC THE COMIC (STC) & SEGA. PRESENTED BY YOUR HOST, MEGADROID.**

However, before I go, have a 'pier' at this issues' line up which includes three new stories including, a welcome return for Tails in Kog The Mighty. Those seriously strange Decap folk have come into contact with the Dreaded Poople Plague, while Amy and

Oh, and how could I forget... Sonic is falsely charged with crimes against the Drakon Empire and helping the havoc along is the mighty Metallix; who's also lurking in the centre-pages (wouldn't want to meet him on a dark night!). That reminds me... where are my new holiday shades?

## ON THE SHELF!

Dear *STC*,

Thanks for a great read - I usually scan my copies in bed with one of my two Sonic Duvets, surrounded by all my Sonic characters! However, please, please can you feature more Tails stories as he is my favourite and is not featured nearly enough! The biggest Sonic fan I know is my best friend Thomas Goddard who has so many copies of *STC* that he has them piled on the floor as well as on a bookshelf.

 Joel Daws, Andover, Hants.  
Sonic 2 Crucial Cup Winner.

What a scene of domestic bliss you paint, Joel! As for your request, you and many other Boomers can relax (for the time being!) as Tails currently enjoys a run of his own stories. Next issue sees him meet up with Max Gamble in *The Unbrushables*.

*NIGHTS* the aerial acrobat from Sega's Saturn release of the same name! Check out *STC* 110's pin-up featuring Elliot from *Nightopia*.

Lynne Triplett,  
Clermiston, Edinburgh, Scotland.  
GG/MCD/MD/32X owner.  
Sonic 2 Crucial Cup Winner.

## TELLY VISION!

Dear *STC*,

I really thought your hundredth issue was brilliant and wondered when each of the humes who contributed towards it are going to appear on the television? Philip Blake, Northampton.  
Sonic 2 Crucial Cup Winner.

Believe me, Philip, it's kinder to your nervous system if you don't actually see them (they're not all as handsome as me you know!).

Send your e-mail messages to:

Be sure to include your snail mail (postal) address if you want to win a prize.

## METALLIX MARK 2

Steven Williams,

## BAD TO VERSE!

Sonic the Comic is thoroughly brilliant! Hope the humes who work on it are not very ill! James Hamilton, Hoddesdon, Herts.  
Sonic 2 Crucial Cup Winner.

If I'm brutally honest James! Some are off their heads. But I'm not naming names!
